SPARKLING COCKTAILS

MADE WITH DRAFT SINGLO GLERA (A.K.A. PROSECCO)

GLERA... HUH? *a sparkling wine made from the Glera grape can only be called Prosecco if it comes from that region, all others are now called Glera; creamy & refreshing with a delicate combination of acidity & fruit 5*

ORANGE BLOSSOM an elevation of the classic champagne cocktail... St. Germain Elderflower liqueur, a sugar cube, & orange bitters 6

QUEEN'S COUSIN a sparkling "flavor bomb"... with Sobieski vodka, Grand Marnier, Cointreau, fresh lime juice, & a couple dashes of bitters 7

VALENCIA ROYALE a cocktail that disappeared mid last century, we think it should come back... with apricot brandy, orange juice, & orange bitters 6

APEROL SPRITZ wildly popular in Italy; this aperitivo featuring Campari's less bitter & fruitier colleague is light & refreshing; served on the rocks 7

KIR ROYALE with creme de cassis 5

FRENCH 75 brought back to the U.S. by returning WWI pilots, the name comes from the 75mm French field gun that was said to have the same kick as the drink... with Seagrams Extra Dry gin, Cointreau, & fresh lemon juice 6
